...

Last night, I sat down with [Jim Cramer](#) on [CNBC's Mad Money](#) to discuss the steps [Norfolk Southern](#) is taking to strengthen our railroad as we continue executing our balanced strategy. We have an incredible team that remains committed to delivering safe and reliable service, continuous productivity improvements, and growth.

As I mentioned to Jim, we are executing a transformational strategy and have created a safe and responsible platform for significant margin improvement in 2024. I am fully confident in our ability to deliver on our plan and achieve our near- and long-term operating and financial targets.

Thank you, again, to Jim and the CNBC team for having me. Read more from our conversation at <https://lnkd.in/eFGnAZgf>.

CEO [Alan Shaw](#) joined [Jim Cramer](#) on [CNBC's Mad Money](#) last night to discuss our balanced strategy and plan to deliver long-term value for our customers, employees, shareholders, and communities.

NS and our highly qualified board have laid the groundwork for significant margin improvement in 2024. We have the right people in place and a plan built upon scheduled railroading principles, while also delivering the reliable and resilient service needed to propel sustainable growth.

As Alan told Jim, "We are investing in the long-term. We're improving our service product and we're improving productivity. That's starting to drive growth for us. So, I've got a lot of confidence about where we're going in the back half of this year and beyond."

Important Additional Information and Where to Find It

The Company has filed a definitive proxy statement (the “2024 Proxy Statement”) on Schedule 14A and a WHITE proxy card with the Securities and Exchange Commission (the “SEC”) in connection with the solicitation of proxies for its 2024 Annual Meeting of Shareholders (the “2024 Annual Meeting”). SHAREHOLDERS ARE STRONGLY ADVISED TO READ THE COMPANY’S 2024 PROXY STATEMENT (INCLUDING ANY AMENDMENTS OR SUPPLEMENTS THERETO), THE WHITE PROXY CARD AND ANY OTHER DOCUMENTS FILED WITH THE SEC WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. Shareholders may obtain a free copy of the 2024 Proxy Statement, any amendments or supplements to the 2024 Proxy Statement and other documents that the Company files with the SEC from the SEC’s website at www.sec.gov or the Company’s website at <https://norfolksouthern.investorroom.com> as soon as reasonably practicable after such materials are electronically filed with, or furnished to, the SEC.

Certain Information Regarding Participants in Solicitation

The Company, its directors and certain of its executive officers and employees may be deemed participants in the solicitation of proxies from shareholders in connection with the matters to be considered at the 2024 Annual Meeting. Information regarding the direct and indirect interests, by security holdings or otherwise, of the persons who may, under the rules of the SEC, be considered participants in the solicitation of shareholders in connection with the 2024 Annual Meeting is included in Norfolk Southern’s 2024 Proxy Statement, filed with the SEC on March 20, 2024. To the extent holdings by our directors and executive officers of Norfolk Southern securities reported in the 2024 Proxy Statement for the 2024 Annual Meeting have changed, such changes have been or will be reflected on Statements of Change of Ownership on Forms 3, 4 or 5 filed with the SEC. These documents are available free of charge as described above.

Cautionary Statement on Forward-Looking Statements

Certain statements in this communication are “forward-looking statements” within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995, as amended. These statements relate to future events or our future financial performance, including statements relating to our ability to execute on our strategic plan and our 2024 Annual Meeting and involve known and unknown risks, uncertainties, and other factors that may cause our actual results, levels of activity, performance, or our achievements or those of our industry to be materially different from those expressed or implied by any forward-looking statements. In some cases, forward-looking statements may be identified by the use of words like “may,” “will,” “could,” “would,” “should,” “expect,” “plan,” “anticipate,” “intend,” “believe,” “estimate,” “project,” “consider,” “predict,” “potential,” “feel,” or other comparable terminology. The Company has based these forward-looking statements on its current expectations, assumptions, estimates, beliefs, and projections. While the Company believes these expectations, assumptions, estimates, and projections are reasonable, such forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which involve factors or circumstances that are beyond the Company’s control. These and other important factors, including those discussed under “Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2023, as well as the Company’s subsequent filings with the SEC, may cause actual results, performance, or achievements to differ materially from those expressed or implied by these forward-looking statements. The forward-looking statements herein are made only as of the date they were first issued, and unless otherwise required by applicable securities laws, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.
